BON CHEF

NEXUS SYSTEM • 2023

NEXUS TABLE SYSTEM Bon Chef is proud to introduce the all new Nexus Table System. This groundbreaking furniture system is completely customizable. The frames are constructed of lightweight aluminum alloy and are entirely collapsible, allowing for unmatched ease of transport. A completely hidden wiring system and integrated electrical outlets allows for a clean, beautiful look - no messy, tangled wires! Choose your colors and finishes, then build out your tabletop with functional, drop-in tiles.
